### **Do you want to be like Claire?**

If the answer is yes, see the bartender on duty and take a 50 cent chance on the "Free Dues for a Year" Board for either the LOOM or WOTM. Let's give Claire some competition since her dues are now paid through 2023!!

**DEADLINE for all articles to be included in next Bulletin  
and Calendar is Aug 14 at Midnight....unless previous  
arrangements are made.**

### **FROM THE PILGRIM**

Well how do I start this letter? It's been one hell of a year between the virus and fire. We are so thankful to the crew that continued to bring our kitchen and lodge up to code. We are grateful for the many hours you worked.

It'll take time to get back to some type of normalcy, but we will prevail. This is one of the best fraternities to be a member of. Come join us for our 4th of July celebration, it will be a lot of fun, especially seeing everyone after being quarantined for so long.

Congratulations to our new board of officers, both WOTM and LOOM. Hoping for a great year.

You'll have to come see the many changes that have been made during our shut down, like walking into a brand new lodge. I guess enough for now. May the Supreme Being keep us all safe and healthy. Jim Cornell

### **GOVERNOR'S CORNER**

Welcome to a new year at the Moose, 2020-2021. I would like to say it is an honor to be elected to this office of the LOOM. I am very fortunate to have the same Board of Officers, just in different positions. This Moose year, the Coronavirus, as you know, had us shutdown for quite a while. Thanks to our great Board of Officers and a lot of moral support from our wonderful members, our Moose Home is about ready to fully reopen. I'm looking forward to a productive year for our Moose Home. Once again, thank you for all of your support during the shutdown. I am looking forward to serving you as your new Governor.

Fraternally yours, William Hansett

### **JR PAST GOVERNOR**

I want to thank all the members for their support during our shut down. The conex box (storage container) has been painted. The striping of the parking lot is by fire regulations, at 14 ft from the building, which is why the three handicap parking spaces in front of the building are smaller. I want to thank the men officers for all their work in the kitchen and Lodge. It's been a pleasure serving you for 1 year and 2 months. Al Cook, Jr Past Governor

### **SOCIAL QUARTERS HOURS**

SUNDAY: 8 am to 6 pm

MONDAY-SATURDAY: 10 am to 8 pm

All closing times are subject to Scheduled Events & Bartenders discretion. Social Quarters & Office 775-727-6577

## FROM THE ADMINISTRATOR

Fellow members welcome back to Moose Lodge 808. Our Lodge in the last six months has gone thru a trying experience with a kitchen fire, Covid-19 virus and being shut down for business by the State of Nevada. The Lodge will be going thru a soft opening in the month of June under Phase II and then we will have the official opening in July after Phase III is released by the Governor.

In some ways the kitchen fire in February was good thing for this Lodge. Here are the reasons that I believe the fire helped us.

1. The gas hose could have popped off the deep fat fryers at night instead of during the daytime, if that happened at night then we would not have a Lodge to go to because the **Lodge would have burned down.**
2. We would have never found the 10 electrical code violations in the ceiling which could have started a fire. Repaired
3. Found no GFI outlets by all the kitchen and bar sinks (Electrical Code Violation repaired)
4. ADA requirements not being adhere to in the parking lot (There are now).
5. New fire lane being identified by side and front entrances (Red 4" Line) There is now.
6. Repairs and Lodge maintenance like water damage ceiling tile in building from leaky roof, painting of existing door primer on exit doors, painting of fire damage walls, bathrooms and Conex box. These tasks have been neglected in the past.
7. Commercial shut off valves installed on exterior propane tank and for each cooking unit in kitchen.
8. Master shut off value for propane into lodge.
9. The Lodge membership reach into their pockets for donation money to make repairs, so that the Lodge 808 will be Code compliance.

The Lodge will be having a Food Safety Class (Janice Nicholas, Instructor) for all new and old personnel that volunteer to help in the kitchen. The class will also be on OSHA compliance for kitchen personnel (OSHA Inspector) and Fire Safety compliance, what to do in case of a fire (Fire Dept Chief). This class will be required for all personnel that will be supervising or who are the chairperson for the volunteer kitchen help. A free lunch is being proposed for the students of this class and we plan on holding this class yearly.

The officers have made some remodeling changes to the Lodge in the Social Quarters. The ceiling has been lightened up just like an abstract Picasso painting. A second pool table has been donated to the Lodge so we can now have two pool teams on Sundays. The shuffleboard table has been moved so that a new league will be started and make use of this table. The gaming and liquor control board will allow any movement of gaming machines in a room without a new gaming layout plan. Persons under 21 must be at least 2 ft away from the gaming machines (Look at Terrible Herbst gas stations for an example of layout for underage children).

Food and Liquor costs will be going up because of distributor prices are going up and minimum wage will be increasing on July 1<sup>st</sup> (\$.75 per Hour) The board of officer's plan on keeping the Lodge prices competitive with other establishments in Pahrump.

The Lodge is going to continue the community service program of providing meat, paper and other products for its members at a discounted price but with one exception, the members will be able to sit and drink in our air conditioned Social Quarters waiting for their names to be called.

We have been reminder again by the Kitchen Manager that the NV Health Dept requires that all food that is being stored in the Lodge 808 refrigerator must be labeled with the dated and have the person's name that placed the food in the refrigerator. If food is placed in the refrigerator without a label it will be discarded in the trash. The board has found food that was labeled 10/21/2016 in the refrigerators. **Like they say some food can be tossed out.**

The Board of Officers of Lodge 808 can be reached at any time during the day if you have a new idea or a complaint that you would like to file.

The Lodge Officers would like to thank our 2019-2020 Governor Al Cook for his service this past year and we look forward to working with Bill Hansett who will serve as our Governor for 2020-2021. Remember the QUEEN OF HEARTS jackpot is \$5,823.00, so come on down Thursday, July 2 @ 7:00 PM and try to win the QUEEN.

Respectfully Submitted,  
Monte Lunde

Apologies in advance to any members who are not included in our sickness and distress list. With the Lodge being closed so long due to both the fire and the pandemic, it was difficult to get accurate and complete information. Any omission is purely accidental.

**Distress:** Josh Arimura (Mother and Father), Mary Ann Artz, Donna Carmon (Mother), Jesse Hunt, Margie Matthews (son-in-Law), Shannon Moore (Son), Peggy O'Brien, Mike Reneau, Don Rogers, Marcie Shank, Wayne Thomas, Ann Underdahl (son-in-law), Jim Terrell

### SENIOR REGENT

Well, that was an exciting Chapter year! We had plenty of fundraisers, opportunity drawings and tasty breakfasts. "Smiles across Pahrump" was successful as a Lodge-based event and the Lions were able to offer free eye screenings to all.

The Sunday Brunches were great fun! The art of poaching an egg was perfected, with some help from Emeril. Convention 2019 was held in Las Vegas giving everyone that chose to attend, a chance to experience the event. Rolling into 2020, we were on top of our game!

Then, we had a little kitchen fire, followed by COVID-19, several weeks on lockdown, and riots. Luckily, none of that has slowed us down. We rolled up our sleeves and got back to our good work! We used Zoom to conduct meetings and keep in touch with each other. The Lodge has been cleaned and the parking lot has been painted. We have an approved plan with PPE in place so the Lodge is once again a safe, welcoming Moose home.

We welcomed energetic new members and ended the year at plus more than one! Our accounts are healthy, and our paperwork was turned in on time, so we should be receiving our Honors once again.

This next year will be even more fun. Convention 2020 will be held online, so once again, everyone has a chance to experience the event. WOTM members can attend virtually at no charge. Life has changed, but it is what we make it! Brigette Dubin

### BI-MONTHLY RECOGNITION

Every work day since the kitchen fire and the COVID-19 lockdown arrived to upset our Lodge Community, our LOOM Officers have been working at our Lodge. They have been repairing areas that have been neglected, some places for years, and cleaning the kitchen equipment and dishes. Once the okay came through from the Insurance Company, they cleaned away the damage from the fire and began getting the kitchen ready for the new hood and other equipment. They painted the Conex box, the parking lot, and dozens of places inside and outside. They brought signs, insulation, grids, etc. up to code. Poles were raised and painted. New fans and lights were installed in the Social Quarters. Our patio is being improved so events can take place outside, weather permitting. In their spare time, they arranged for members to buy hard to find food and other products from US Foods at cost! Our officers took orders, sorted supplies and delivered orders to member's cars and homes. These outstanding members have done wonders and are still working hard for our Lodge. When we open, prepare to be amazed and don't forget to give a big THANK YOU to the 2019/2020 LOOM Officers

## Bingo Update Moose Charities

We ended fraternal year 2019 – 2020 with 498 players raising \$2,506 for Moose Charities. I consider this outstanding considering that we lost six weeks to the COVID-19 virus.

Bingo resumed on June 22nd, and will continue every Monday starting at 1:00 PM, just like before. By the time you read this, our like-new repaired kitchen should have been re- opened for our regularly scheduled meals, so come on down for lunch and make it an afternoon for lunch and bingo. Invite some friends of yours who may not be Moose members and sign them in as qualified guests to partake. We will warmly welcome them and show them a great time! Most likely, they will love what they see and join our Moose fraternity, the greatest fraternity on earth.

Thank you, bingo players for your unending support. God bless our children at Mooseheart, our senior members at Moosehaven, and our Heart of the Community beneficiaries.

Fraternally and Moose Proud,  
Dennis London
