## **FROM OUR PRESIDENT**

Hello Moose Family, I am still working the fairs until the end of October. I am looking forward to being home in a way....I miss it... but I also like it that I am back to work in the fudge business. I am so looking forward to seeing everyone when I get back and I hope this finds everyone well and in good spirits.

Fraternally Yours,  
Rodney Fazackerley

## **FROM THE PILGRIM**

A heartfelt thank you to all of you who attended the Pilgrim Ceremony in September and more thanks to the many members who have helped me along this journey. I will continue to encourage and mentor those that will come after me.

This has been a very difficult year for our Lodge with the loss of so many longtime and beloved members as well as for me personally through my health crisis. We can honor those that we lost by following in their footsteps to strengthen our Lodge and our community. Please don't let all of their good works fall by the wayside. Life must go on and it goes easier when we all work together. Get involved. Look at our calendar. We have something going on all the time. Bingo, poker, pool, dancing, cribbage, cards, karaoke, bowling and great meals just to mention a few. Volunteer your time in the kitchen, on the cleaning crew or visit a sick member. We all joined this organization for a reason. Never forget those reasons: Our children at Mooseheart, Our seniors at Moosehaven and the Pahrump Community.

Lori and I want to wish you all a Happy Thanksgiving, Merry Christmas and a blessed, happy and healthy New Year.

Fraternally,  
Tim Andrewnovitz

## Positive Comment by Anonymous

The Moose Fraternity was founded over 120 years ago to help the less fortunate and unfortunately we have lost sight of that fact. Officers and members alike took the oath to uphold the principles of the Moose Fraternity. There has been much division in our Moose Home but this is not just a Moose problem. Talk to anyone that is affiliated with any type of work or social group and you will hear the same complaints. So what is the solution.

First and foremost we need to look to our officers whether elected or appointed. If our own officers don't support the functions that we put on, why should our membership? We need to see more of our officers and by the same token our membership also needs to step up. We need to see our members at times other than the 4th of July, Labor Day or Thanksgiving. We are open 364 days a year...where are you? Nobody can or should be here everyday but people you need to be here more than 3 times a year. Take advantage of the video poker tournaments, bowling, cards, Mexican Train, shuffleboard, pool, line dancing, darts, karaoke, our extensive community service work plus all of the wonderful meal functions that we have. Get involved. Nobody will turn down a volunteer.

Second and more importantly is the need for members to show respect for one another. We have well in excess of 800 Lodge and Chapter members. If you have a problem with someone go talk to one of the other 800 members. Don't berate other members while sitting at the bar. If you can't find another of our 800 plus members to talk to or vent with then that is why both the men and the women have a Board of Officers. If you are going to let one person or one situation keep you from the Lodge you probably weren't that committed in the first place.

And third, being committed and positive will ensure that our Lodge and Chapter will continue to thrive. When we succeed so do our Children at Mooseheart and our seniors at Moosehaven. Remember this: We are not a social club. We are a Fraternity dedicated to caring for these campus' and hopefully we can have fun and fellowship in the process. Many of you and those who came before us worked long and hard to keep this Moose Lodge going...let's not disappoint them. Remember, there is no "I" in team nor is there an "I" in Moose.

Dear Members:

I just became the new Junior Past Regent and I thought I would take this opportunity to say hello.

With the upcoming holidays everyone will be busy and the Chapter is no exception. In November we will be doing the College of Regent ceremony for our two new College of Regent recipients, Chanda Wieland and myself. First, there's Thanksgiving and we will be serving Thanksgiving dinner for our members in the Lodge. And then it's onto December and the Christmas season with all that shopping to do and parties to go to. I hope everyone's been eating their Wheaties to build up your strength. I know I'll be eating mine.

Anyway, the Chapter and I want to wish you a happy, healthy and safe upcoming holiday season. Eat all the turkey and trimmings you want to, have a very Merry Christmas and a Happy New Year.

Yours in Friendship,  
Maria Trzcinski,  
Junior Past Regent

Well the Fall Festival is over and by all accounts it was a big success. The job that the Moose had was a lot of fun. I want to say as Chairman that everyone of you did a great job. I hope that we can do it again next year with a little more time to get things set up. I also want to thank the Nye County Sheriff's Auxiliary for working with us. If we hadn't had the use of the golf carts, it would have made a big difference. I thank Garry Brodbeck for loaning us the golf carts. If you should see Jimmy of Buildings and Grounds, thank him for all the help he and his crew gave us. They made sure we had water and safety vests. Again thank you, every one of you! As you know, with the damage to the patio, the guys have been working non-stop to get it repaired and ready for use. Special thanks to all who have helped since May: Tom, Ken, Al, Rodney, Brad, Bob, Danny, Jerry and a multitude of others who stopped to lend a hand when they could. All of your efforts are greatly appreciated.

## For those of you with your minds in the GUTTER

Hi friends! I can happily report that we have completed 3 whole weeks of bowling at this time, and the most important thing...we are having a great time! There are many bowlers new to our League of Horns this year, and some are even new to bowling! If you don't bowl, just come check us out, see how much fun we have, cheer for your friends, or laugh, or both! We are entertaining on Monday nights at 6 pm!

Those that are bowling, I want to point out that after oh so many years that I have been on this League with no interruption of schedule, I certainly find it odd that last year and this year have both been interrupted. I could figure out when I joined this league if anyone knows when the Nugget Bowling Alley opened. Who could have predicted the bowling alley would get all wet and we would have to postpone? Just one week, but still! One year I bowled and for two weeks in a row, the fire alarms kept going off. We had to leave but we came back in and finished the same night. Limpy was still with us then. He just got his street shoes on to trek outside to comply with the alarm rules, and then they let everyone back in, no fires, just a faulty system or windy nights! I pictured myself putting him on a rolling bag and dragging him outside if there was an actual fire! There was a League of Horns at the Mountainview before it burned down. So it must have been interrupted depending on the month of that fire, Anyway, the schedule for this year progressed in the computerized sequence, what will change is that everything will be a week later now. The position rounds and sweepers week being the most significant. Unless something else unpredictable happens, go ahead and try to adjust your calendars. We will still be holding the same byes that we voted on at our party. If anyone has any questions, please ask someone that will have an answer. This is my first year doing this article. I think I would love to hear some funny stories from the past years of bowling to put in here. That seems appropriate this year. Please help!

Forever keeping my mind in the gutter,  
Jen S.

## *Bingo Update Moose Charities*

**8/10/21 – 10/11/21**

During this bimonthly newsletter reporting period, we collected a total of \$2,120.22 for Moose Charities from you folks turning in your Bank on Our Kids house banks, 9 o'clock ceremonies, and our weekly bingo games.

Of this total, \$427.06 came from Bank on Our Kids house banks, \$183.16 came from 9 o'clock ceremonies, and \$1,510 came from bingo.

In addition, during the California-Nevada Moose Association annual convention that took place in September, I proudly received on behalf of our lodge a framed certificate recognizing our lodge for attaining the \$300 level of contributions to the association's Childhood Autism Program. That certificate is mounted on the wall in the main hallway between the social quarters and the back room.

Also during the convention, our state association's 2021 – 2022 President Bill Thompson announced that his major project for the year is to help pay for tables and chairs in the new Mooseheart Activities Center. So please, contribute whatever you can for this most worthy project.

I wish each and every one of you a blessed Thanksgiving and Christmas holiday season. Thank you for all that you do to further the mission of the Moose.

Fraternally and Moose Proud,

Dennis London  
Moose Charities Chairman
